CERN council decision

- News from the December 2023 CERN council decision (mail from F. Gianotti CERN DG):
- International Cooperation agreements with [Russian Federation](#) and the [Republic of Belarus](#) will come to an end on 27 June 2024 for the Republic of Belarus, and on 30 November 2024 for the Russian Federation. All relations between CERN and Russian and Belarusian institutions will cease as of these dates. Relations continue with scientists of Russian or Belarusian nationality otherwise affiliated with CERN.
- “To terminate, *mutatis mutandis*, all other agreements and experiment memoranda of understanding allowing the participation of the Russian Federation and its national institutes in the CERN scientific programme, with effect from 30 November 2024”
